## Newsletter September 2023

In September 2023, the children were filled with excitement as their beloved Lis Aunty paid a visit to Kolkata. During her stay, Ms Lisbeth Johansen, the founder of LittleBigHelp, visited all the project areas, including hostels, community centres, and skills development centres. Her presence brought immense joy to the children and staff, reaffirming the organization's commitment to their well-being and development.

Raksha Bandhan, a revered festival in India, signifies the special bond shared between brothers and sisters. At LittleBigHelp, this meaningful tradition is joyously observed in all project areas. Here in the photo, a young girl from the community centre proudly displays the rakhi she has crafted herself.

Children residing in our hostels expressed their gratitude and respect for the police officers at Thakurpukur Thana by tying sacred threads of Rakhi. Their gesture was a way to convey their desire to protect the police personnel, recognizing them as the guardians of our society.

A workshop about women's health was held in two Skills Development projects. Our Director, Mr. Debashis Guha, led the session. He emphasized the importance of taking care of both mental and physical health.
